Highest Qualities, Perfect Fits, Lowest Prices.

Our spring promise to all clothing buyers; a hope realized, a promise fulfilled. That is what every sale we make means. We anticipate your wants and wishes, then make the prices irresistible. Our one thought in ouying, our one aim in selling, is to find your want and then meet it as no one else can meet it. We weigh every word thoughtfully in the scale of fact; we measure every value we put before you carefully; as a result ours is a sincere store. Everybody knows just what to expect, and expects just what they find, the very best at the lowest possible prices. In our new lines of seasonable goods, quality and style are pre-eminent, and low prices predomniate throughout. There is only one class, and that the first. In our spring and summer collection of Clothing, Shoes, Hats and Gents' Furnishings, your responsibility ends and ours begins when you buy of us. We are right behind every transaction we make. Come and look at our new stock; you will find reliable goods at popular prices; you will find friendship, as we esteem every visit from you a personal favor. If you want to buy right; if you want to be treated right; if you want to save money; make our store your tradin home.

Yours truly, MAX THEODORE, Prop. Hagley's Corner, Charles Town, W. Va.
